HOOSIER CLASSIC

♦ SELECT YEARLING SALE ♦

October 24 & 25, 2014

Indianapolis, Indiana

www.HoosierClassicYearlingSale.com

February 2014

Thank you for your interest in the Hoosier Classic Sale Company. Our annual "Classic" sale has become a long standing tradition in Indiana while playing a vital role in the states racing industry since 1998. Hoosier Classic welcomes your entries for the upcoming 2014 auction season.

The Hoosier Classic Sale Company has sold many champions over the years thanks to some of the finest breeders and consignors like you. Our quality catalogue, up-to-date online pedigrees, and sale day facilities are just a few reasons why our customers return every year. We believe you will benefit by selling with the Hoosier Classic Sale Company.

After seeing a record number of available Indiana sired yearlings sold at public auction in 2013, the number of Indiana sired foals is beginning to decline. While we attribute the decrease to several reasons, it is important to know with the decrease in numbers, the Indiana market will become more favorable to the breeder, in other words it becomes a sellers market. The Indiana market has begun to stabilize and the future for the Indiana breeder has never been more exciting!

Many Hoosier Classic buyers liked our format in 2013. The select sale format assures our customers of a quality catalogue thus attracting top owners and trainers in the Indiana industry. As a result we will continue selling yearlings selected from a list of applicants based on pedigree and confirmation.

Hoosier Classic leads the way cataloging and selling the highest priced Indiana sired yearlings!
Of the 222 Hoosier Classic buyers in 2013, eighty-one (81) visited and bought with us for the first time.

Unlike any other auction, Hoosier Classic consignors have the unique opportunity to receive 50% of their net sales at the conclusion of the sale. You receive a check on sale day! The balance, less any outstanding fees, is paid in 30 days. Restrictions apply.

Sale Dates: October 24 & 25, 2014 Indiana State Fairgrounds, Indianapolis IN

Entry application deadline: April 1, 2014

A \$275.00 catalogue fee is payable with signed contract on June 1.

Attached is an entry application form and agenda outlining the deadlines. Please make additional copies if needed. Should you have any questions, please call 574-825-4610 or e-mail me at scross@hoosierclassicyearlingsale.com.
