### February 2015

Thank you for your interest in the Hoosier Classic Sale Company. Our annual "Classic" sale has become a long standing tradition in Indiana while playing a vital role in the state's racing industry since 1998. Hoosier Classic welcomes your entries for the upcoming 2015 auction season.

The Hoosier Classic Sale Company has sold many champions over the years thanks to some of the finest breeders and consignors like you. A quality catalogue, up-to-date online TrackIT pedigrees, and sale day facilities are just a few things consignors and buyers alike have come to expect at the Hoosier Classic Yearling Sale.

On the heels of another successful auction it is apparent the Indiana market is gaining popularity. Grand Circuit buyers are beginning to buy into the program as Indiana sired horses are making their presence felt on the national level. The future for the Indiana breeder has never been more exciting!

***Hoosier Classic leads the way in bringing buyers and consignors together.***

*Many Hoosier Classic buyers like our format. The select sale format assures our customers of a quality catalogue thus attracting top owners and trainers in the industry. As a result we will continue selling yearlings selected from a list of applicants based on pedigree and confirmation.*

***Unlike any other auction, Hoosier Classic consignors have the unique opportunity in receiving 50% of their net sales, less outstanding fees at the conclusion of the sale. You receive a check on sale day!*** The balance, less outstanding fees, is paid in 30 days. Restrictions apply.

**Sale Dates:**     October 23 & 24, 2015     Indiana State Fairgrounds, Indianapolis IN

**Entry application deadline:**     April 1, 2015

**A \$275.00 catalogue fee is payable with signed contract on June 1.**
